On April 13, 2016, I presented an affidavit in support of a search warrant to Multnomah County Circuit Court Judge Bronson James requesting to search the Facebook account of the following people: Cynthia Scholer, Ronald Rhodes, and Javier Hernandez. Judge James reviewed the affidavit and signed the search warrant. I submitted the search warrant to Facebook with a request to process the warrant within twenty days from the day of receipt. the aforementioned subjects. I downloaded the information for each account onto a CD-R and submitted a copy into evidence on property evidence receipt number A005197. I examined each of the listed Facebook accounts and found the following information to be relevant to the Kyle Polk homicide investigation. It should be noted that I requested Facebook account information for each of the listed accounts from time period of January 1, 2015 to present. This report contains a brief summary of the content contained in the Facebook records for the aforementioned subjects. The complete records can be reviewed on CD-R's that were submitted into evidence on the listed property/evidence receipt.

Cynthia Scholer:**Facebook Username: Cindie Lou (Sch)**

The information provided by Facebook shows the account for Cynthia Scholer was registered on 12/08/08 and lists her phone number as 503-954-7196 and shows her current city to be Vancouver, WA. I examined the records Facebook provided for Cynthia Scholer's Facebook page and noted that she had numerous chats with Ronnie Rhodes where it was apparent based on the context of the chats that the two of them were in a relationship and had lived together. On March 19, 2016, where Ronnie Rhodes messages Cynthia Scholer and says, "Baby i want to come home." Cynthia Scholer responds back to Rhodes with, "Why," and the chat continues.

Ronald Rhodes:**Facebook Username: Ronnie Rhodes**

The information provided by Facebook shows the account for Ronald Rhodes was registered on 10/19/11 and lists his phone number as 503-568-9137 and shows his current city to be Salem, Oregon. I examined the records Facebook provided for Ronald Rhodes Facebook page and observed his account to have chats with Cynthia Scholer. I also observed Ronald Rhodes to have posted a photo of himself dated 04/13/16.

The photo shows Rhodes wearing a Polo vest that is the same style of vest that Javier Hernandez was wearing at the Panda Express on December 17, 2015. Based off the photos on Ronald Rhodes Facebook page and information I received from a prior investigation involving Rhodes I queried his Facebook account information for references to the Hoover gang. Rhodes made reference in his chats to Hoover, for example, on 03/24/16, Rhodes ends a chat with "on hoover." Based on my training and experience I know when a gang member states this that they are expressing that they are serious and want the person to know they are telling the truth. On 08/17/15 Rhodes chatted with a female named Samantha Lamont and stated, "Hoover will all was be me." I queried Rhodes Facebook page for any references to Javier Hernandez or his Facebook page name, Stoney Flyckoon and found several chats where the name "Stoney" is mentioned. On 01/28/16 Rhodes received a message from "Jerry Rice" who messaged the following, "Aye grxxv I heard the nigga Stoney was a snitch these niggas that caught a case wit him in Vdubb said he told. Back when he use to wanna be from 60's I'm tryna get the little nigga to send me the work right now. Idk how true it is but Ima figure this shit out". In the same string of messages regarding Stoney being a snitch Jerry Rice messaged, "the bitch diamond bolden the nigga Tony is her brother and she used to kick it wit that nigga Javi all the

The information provided by Facebook shows the account for Javier Hernandez was registered on 11/22/10 and lists his phone number as 360-843-9687 and shows his current city to be Los Angeles, California. I queried Hernandez's page for references to the Hoover gang based on photos I found of him wearing Houston Astros attire and flashing the Hoover gang sign with his hands. Hernandez made numerous references to Hoover in his Facebook messages, for example, on 03/01/16 Hernandez messaged someone by the name of Foxy Brown and said the following, "Yeah baby im from hoover lol." Hernandez states later in the same string of chats, "...especially because I'm from Hoover...". On 08/23/15 Hernandez messaged someone by the name of Crash Bandicoot the following, "shit wit my nigga ben in the town with the hoovers lol." On 12/02/15 Hernandez messages someone by the name of Qweezy Hogglife and states, "Westside hoover nigga where you from". On 10/22/15 Hernandez messages someone by the name of D-bullie Bullie the following, "Call me asap from the Uz we from hoover we fuck wit yall call me 360-843-9687." I queried Hernandez's page for reference to guns and located several messages mentioning guns. On 08/23/15 Hernandez and someone by the name of Upton O'Good exchanged messages and Hernandez stated the following, "I got a lick what's let me use it and I'll give U a gun fee after its said an done." During this string of messages Hernandez and Upton O'Good discuss and plan to rob someone for drugs. The string of messages continues between the two of them where Hernandez says its a pistol and he is trying to sell it today. I also located several references in Hernandez messages where he spoke about selling drugs, specifically Xanax, heroin, molly, etc. On 11/22/15 Hernandez messaged someone by the name of Herbert Sannicolas the following, "Thats nothing tho lol thats change I sell 80 for 400 almost everyday."
